

The ProviderOne Billing and Resource Guide CHANGES LOG

| Date of Change | What Changed | Why did it change | Chapter | Key Step/ Appendix |
|-----------------------|---|--|---|---------------------------|
| 3-19-10 | Updated form locators 56 and 57 for the UB 04 claim form. | Both fields stated to enter the billing providers taxonomy code. This information should only be in field 56. 57 has been updated to say~ “A unique identification number assigned to the provider submitting the bill by the health plan. Not Required. DSHS does not assign nor require unique identification number other than NPI.” | Submit Fee For Service Claims to Medical Assistance | Appendix I |
| 3-19-10 | Updated form locator 55 on the UB04 claim form. | Changed language to~ “The amount estimated by the provider to be due from the indicated payer (estimated responsibility less prior payments)” | Submit Fee For Service Claims to Medical Assistance | Appendix I |
